"We can chart our future clearly and wisely only when we know the path which has led to the present."

— Adlai E. Stevenson II

A legacy is an "inheritance" or a "bequest," or "something that has come from an ancestor or predecessor or the past." Such is the case of Hinds County Agricultural High School. It is a legacy which was left to us by Dr. William H. Holtzclaw one hundred years ago. Therefore, since we are partakers of his sweat and toil, this pictorial representation shows just how appreciative we are to Dr. Holtzclaw.

Through various activities — academic, athletic, or extracurricular — we made every attempt to live up to the desires and expectations envisioned by Dr. Holtzclaw when he established this institution. This book is an attempt to exemplify how we did our utmost to use our legacy wisely and to demonstrate that we are "Embracing the Legacy, Upholding the Promise."

Everyone must row with the oars he has." — English Proverb

Principal Robert S. Strong and
First Lady Gwendolyn Strong

Mr. Robert S. Strong began his tenure at Hinds AHS as a classroom teacher. He taught several vocational classes which included industrial arts, mechanical drawing, technology discovery. He became renowned nationally as a Technology Student Association (TSA) advisor. He was also an outstanding football coach and athletic director at Hinds AHS. He has served as principal of Hinds AHS for two years. Mrs. Gwendolyn Strong works in the registrar's office at the HCC - Utica Campus.

Assistant Principal Bruce Baker and Wife Brenda Baker

Mr. Bruce Baker started at Hinds AHS as a social studies teacher. There was a break in his tenure with Hinds AHS when he went to work in Port Gibson. He returned as girls' basketball coach, assistant boys' basketball coach, assistant football coach, and as assistant principal. Now, he also serves as Title I Coordinator for Hinds AHS. Mrs. Brenda Baker is employed by the HCC - Utica Campus.

"It is always pleasant to be urged to do something on the ground that one can do it well." — George Santayana

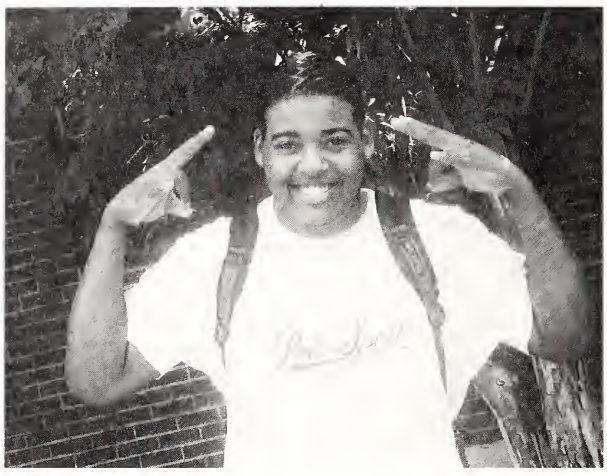

Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great."
— Mark Twain

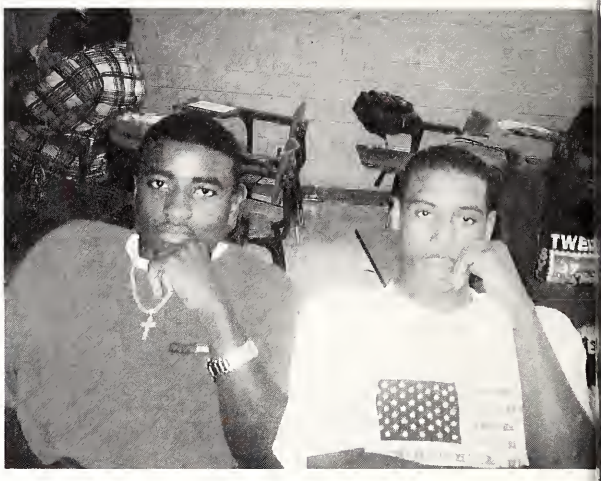

I double dare you to guess what I'm thinking right now.

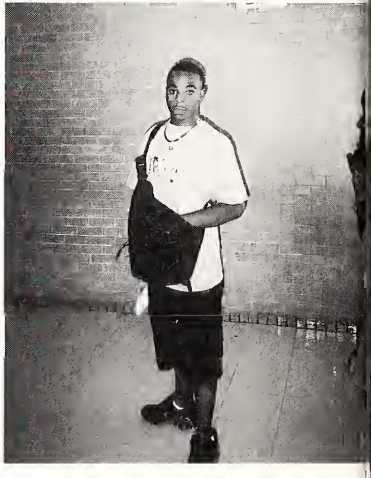

"Happiness depends upon ourselves." — Aristotle

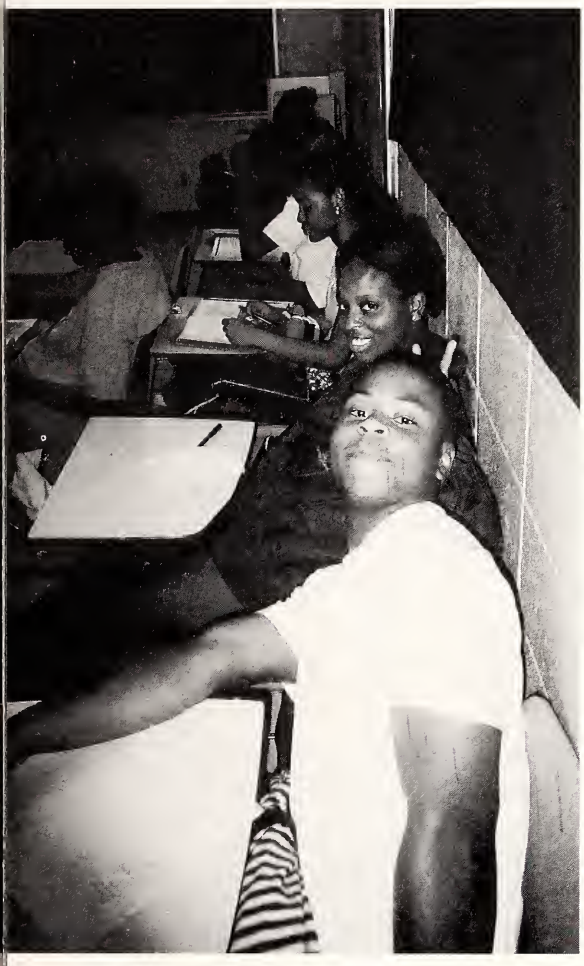

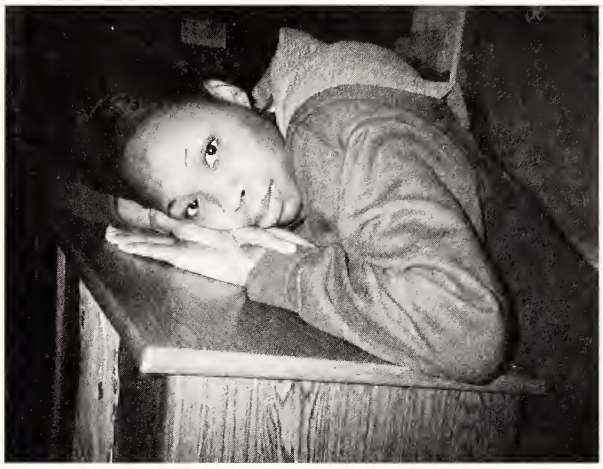

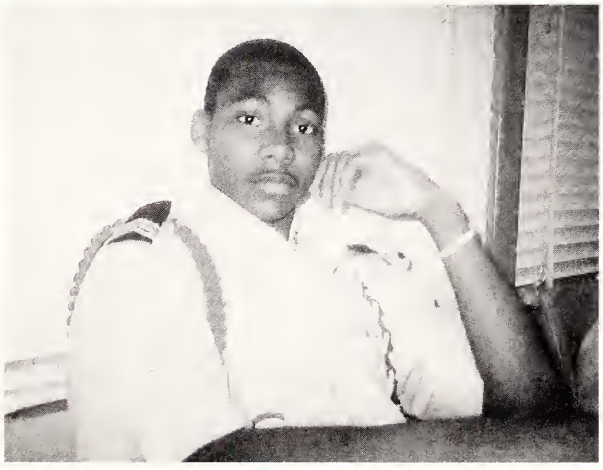

No man is happy unless he believes he is." -- Publilius Syrus

It's a Parade!

Bobby Washington is ready to release a fistful of candy on the waiting crowd.

The Hinds AHS parade participants awed the crowded strects of downtown Utica as they drove past on adorned floats and vehicles throwing candy, waving vigorously, smiling gaily, or just being extremely "cool".

Here They Come!

Clubs and organizations entered vehicles in the parade so that their kings and queens could be given the recognition they so rightly deserved.

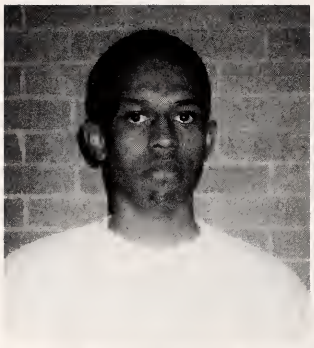

The cheerleaders and flag girls of Hinds AHS felt it necessary to "strut their stuff" in the centennial parade as did all of the other parade participants.

"Nature make boys and girls lovely to look upon so they can be tolerated until they acquire some sense."

— William Lyon Phelps

Larry Taylor II
Deidra Ledextrielle Wilcher

There has been a royal connection between Larry and Deidra since their elementary school days. It was Larry who escorted Deidra when she was first runner-up to Miss Junior Mahogany Dancers. Another common element is that their siblings also held the positions of Mr. and Miss Hinds. Dexter Wilcher, Deidra's brother, was Mr. Hinds '97-'98; Shelita McCadney, Larry's sister, was Miss Hinds '98-'99.

"Youth is a quality, not a matter of circumstances." — Frank Lloyd Wright

The focus of this year's Coronation Ball was, in addition to honoring our kings and queens, on highlighting the centennial of our institutions. One key step taken in that direction was to have the royal subjects form a moving 100. The gentlemen made up the one, and the ladies formed the zeros. Their movement signified that Hinds AHS is constantly on the move "Embracing the Legacy, Upholding the Promise."

The young, too, played a vital part in upholding the dream of Dr. Holtzelaw.

It's About Time

Student Life

Smiling, Styling, and Profiling

"Where there is unity, there is strength." The Hinds AHS students realize that it takes all of us, working together, to make the social side as well as the academic side of life more pleasurable and meaningful. A happy face, a pleasant smile, or a big grin is always welcome at the end of a l-o-n-g, tiresome day.

"The most wasted day of all is that in which we have not laughed."

- Sebastien - Roch Nicolas Chamfort

A Special Moment

Being among friends is a wonderful thing. It helps one to get through the day. Talking with others, be it over lunch or under other circumstances, helps to relieve pressure, solve problems, and calm nerves. Sometimes, a funny face, solitude, or a shoulder to lean on constitutes that special moment we need daily.

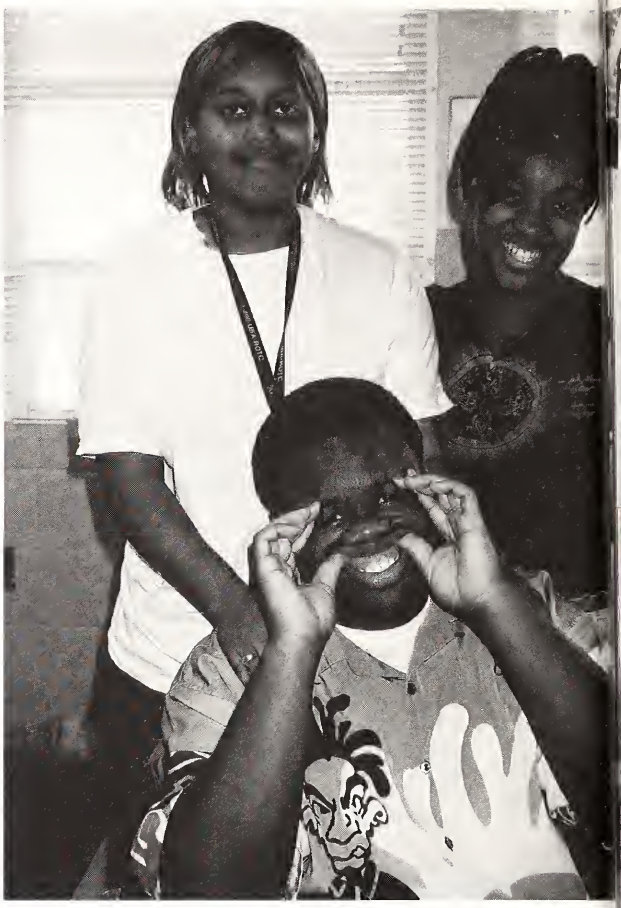

"It is the common wonder of all men, how among so many millions of faces, there should be none alike."

- Thomas Browne

The serious-minded and the humorous-sided people are the perfect combination that makes Hinds Agricultural High School the ideal place to achieve all-around development.

"It takes all sorts to make a world."
- English Proverb

The Mahogany Dancers take a well-deserved minute away from rehearsal to share some "down time" with their friends at half-time of one of the Hinds AHS football games.

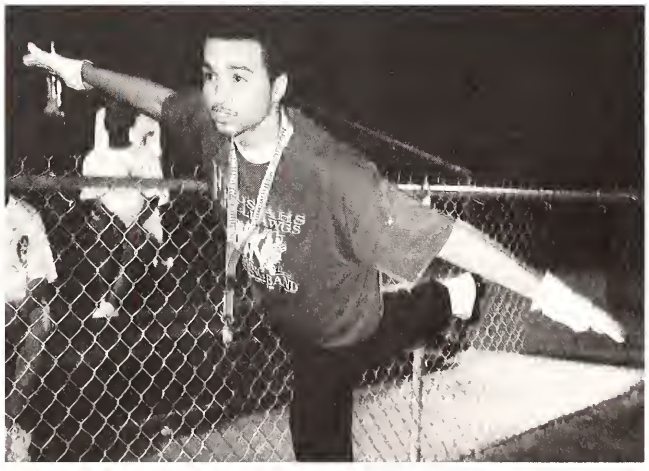

The importance of time outside the classroom is well-recognized at Hinds AHS. Variety in a school day enhances learning and helps students to stay on task when they are in their classes. It is during the lunch hour, the activity period, and special assembly programs that the students' minds, bodies, and souls can relax.

"Rule your mind or it will rule you."

A Day in the Life

"Put on a Happy Face!"

Right

Business Education instructor, Mrs. Iverna Terry, and Minister Derrick Traylor share a light moment following his address at the Religious Emphasis Week Program.

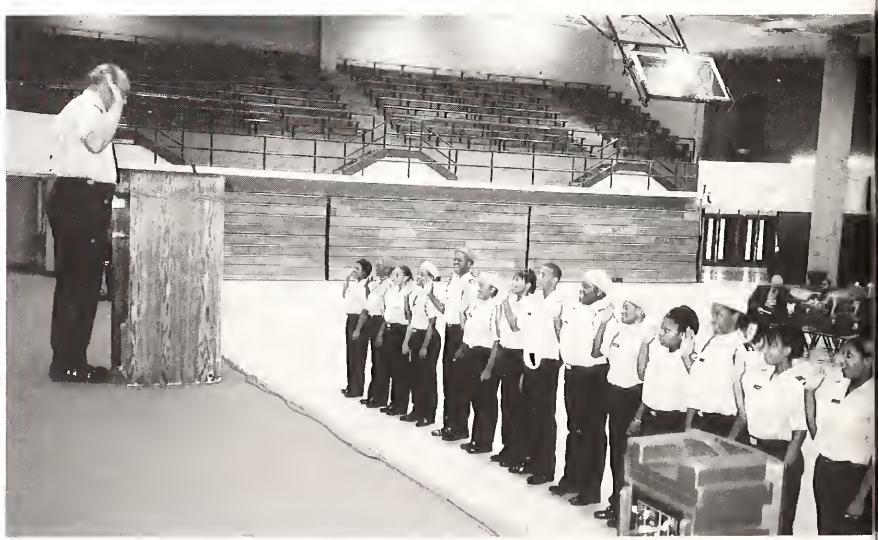

Hinds AHS is very diversified in its personalites and programs. Each extends from the serious to the comical. Regardless of what the situation is, it is always refreshing to know that a tender or a solemn moment is always good for the soul as dictated by the circumstances.

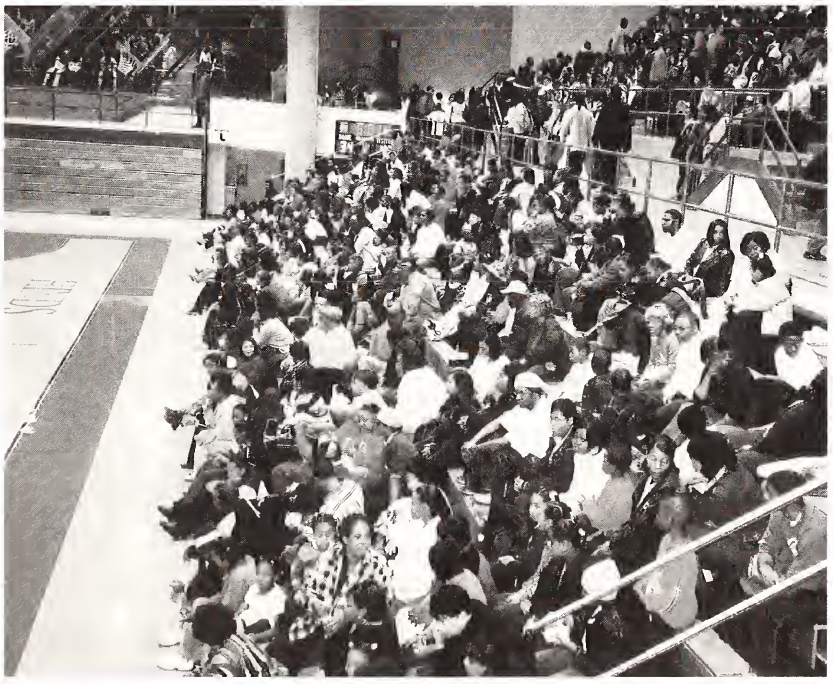

"Blessed are the meek..."

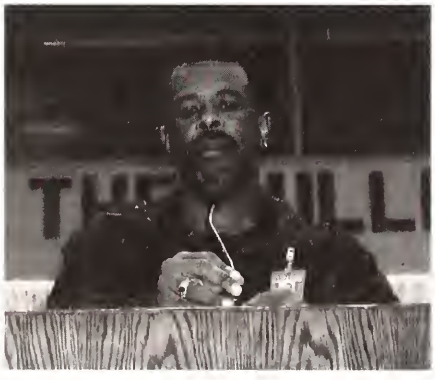

Left

Members of the Flaming Sword Masonic Lodge of Edwards, MS, set up supplies in preparation to provide free, tasty food for the Hinds AHS family and members of the Utica Campus on homecoming day. These gentlemen, assisted by the Heroines of Jericho, made this special event a reality. The men prepared the food, and the ladies served it. The same services were rendered by the same two groups during the Centennial Picnic. A variety of food was served at each setting.

Students, faculty, and community supporters all pull together to create and encourage success at Hinds AHS. That type of unity and support is what generates success and leaves pleasant memories etched in our minds.

2003

staying between the lines

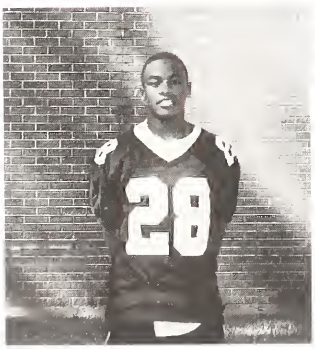

The War Dawgs found newbirth this season under guidance of a new head coach, Coach Michael Fields, and his assistants, Keith Williams, Lester Owens, and Reginald Warnsley. The team finished the season with a 4-7 record and a trip to the playoffs.

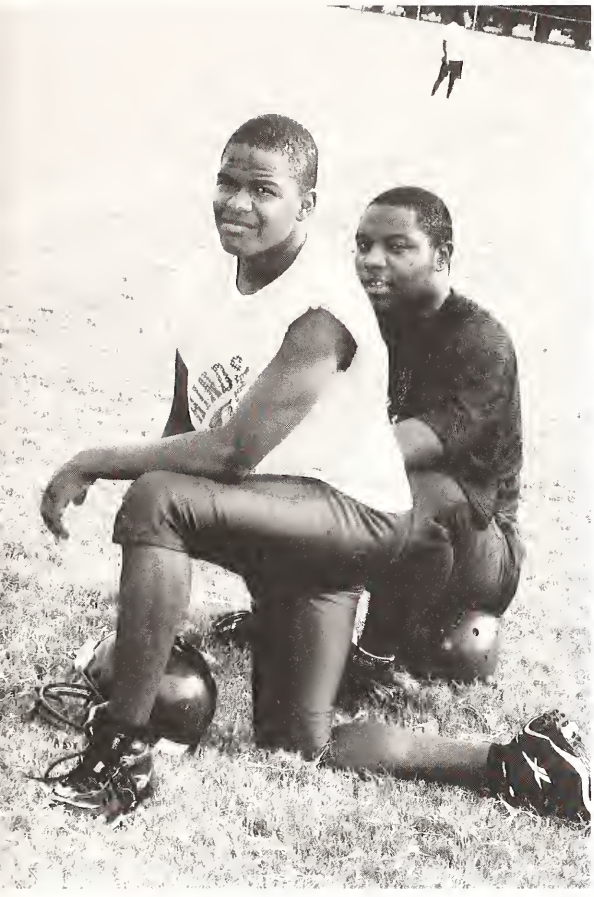

"Who Let The 'Dawgs Out?"

Freshman Albert "AJ" Williams made interesting "things" happen for the War Dawgs. Unfortunately, his season ended early due to a broken leg.

The War Dawgs put forth a great effort as the "Come-back Kids". After two dismal seasons, the skills of some very impressive and determined players gave the team the eagerness needed to become winners.

Although the Lady Bulldogs' season didn't quite go as planned, the team has a lot of talent. There were only three senior members; therefore, the Lady Bulldogs will be a team of contention next season. Our well-wishes go out to the departing team captain, Deidra Wilcher, a senior; and the other departing senior members, Antoinette Davis and Chakakhan Davis.

It's All in the Game!

Deidra Wilcher anticipates receiving the ball from Elizabeth Gayden who drives around an aggressive Saint.

Antoinette Davis (13) is set to snag the ball so that the Lady Bulldogs can begin their prowl.

"Achievement consists of never giving up... If there is no dark and dogged will, there will be no shining accomplishment; if there is no dark and determined effort, there will be no brilliant achievement."

--Hsun Tsu

This Is the Way We Do It!

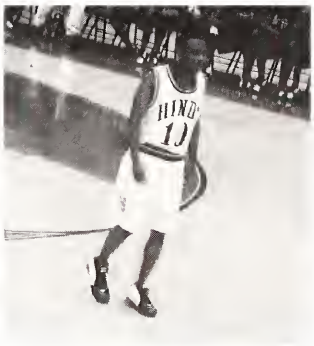

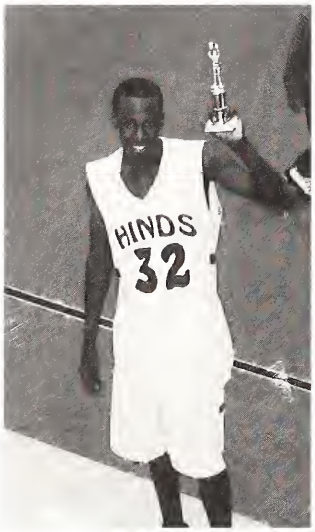

The Lady Bulldogs honor America with Whitney Houston's rendition of "The Star-Spangled Banner".

Powerlifting Team

This is the first year in the history of Hinds AHS that it has had a powerlifting team. This team did extremely well for a first-year team. The group participated in a variety of competitions in which the participants won several trophies because of individual or team efforts. Coach Michael Fields is also a first-year coach at Hinds AHS.

Hinds AHS Tennis

The tennis team is under the guidance of Coach Norma Garrette, a second-year coach (standing, center). Although the team had less than a 500-season, they played several impressive matches. Shequita Henderson, not pictured, had individual wins.

Hinds AHS Track Team

The Hinds AHS track teams had new blood and a new outlook this season. In competition, both the boys and girls were champions in the Crystal Springs Blue/Gold Relays. The boys team won the 2003 MHSAA Class 2A Region 3 championship and the MHSAA Division VI 2A-Division 6 championship.

Forward! March!

The JROTC Department presents a very thorough installation program which includes posting of the colors by the Color Guards and the singing of "The Star-Spangled Banner" by Donnell Stewart.

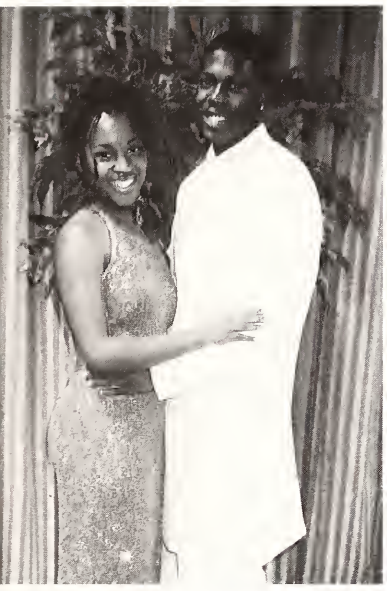

Cadets in JROTC enjoy variety in their exposures. They participate in assembly programs and parades and perform at football games with the band during half-time. The department has a Miss JROTC, Princess Eggleston, left on the float; and a Miss JROTC Sweetheart, April Carter, right on the float. These department representatives are chosen annually by fellow cadets during the Hinds AHS Military Ball.

"On the Wings of Love"

I salute you, Dr. William H. Holtzclaw, for your vision. We light a candle in your memory and in honor of everyone who played a vital role in the development of those components that helped to make this Centennial school term (2002-2003) a banner year, a time of great celebration.

Fellow Hindsonians, as editor of the yearbook, The Hindsonian, I hope that our publication has provided an accurate, pictorial representation of Hinds County Agricultural High School in Utica, Mississippi, as it existed in 2002-2003.
